Heavy Duty, quality power controlled by your phone!

Thanks to the built-in load bank, the MegaGen line is able to support your project while protecting your investment. The DSE controller gives you the ability to control the unit remotely. Ranging from 20kVA to 150kVA, the MegaGen line offers a wide range of options for any jobsite.

Features:

- External fuel tank to maximize the working autonomy
- Trailer/Skid mounted option
- Remote control allows generator to start-up and shut down remotely
- Superior sound proofing solutions
